

#### Department of Electronics and Communication Engineering LNCTE Bhopal

#### Publicity Report of January 2021

 An Online Interactive session organised by Department of EC LNCTS on "Successful Startup Founders" by Mr. Ayush Ashish, "Alumni of LNCTS EC Branch 2020 passed out batch" on Monday 16-01-2021 from 11:00 AM to 12:00 PM) for the students of EC 3<sup>rd</sup> semester LNCTE Students. The session was too Interactive, Informative and interesting for students which deals with How to become a successful Entrepreneur and how to get opportunities by smartly investing the money. The session was delivered successfully under the guidance of Dr. Abhinav Bhargava (HOD EC LNCTE), Coordinated by Prof. Neeta Sharma (Assistant Professor).

Website and	d landing page	Ac	ction items and questions
Control presentations, media and morel	Use volume buttons to change through slides	Player controls for your movies and music	Remotely lock, shut down or restart your PC
Martine Martin	Res and Constraints	Normality Controls	System Power Controls
Automation	00:04		
Copy dool to implement	Use phone volume truttons to change skides	One phone volume buttures to control pyposen volumer	

Feedback, User Retention, Crashes and corner cases

Improvements

• One week FDP on "Python" is organized by CS Deptt. LNCT Group of Colleges from 20/01/2021 to 27/01/2021 at 09:00AM to 11:00 AM. Faculties including HOD's from different colleges (LNCT Group) and different branch have been participated actively. The FDP was too informative, Interesting and joyful for every participant. FDP was very helpful to learn about the basics of Python with the help of their Syntaxes, Programs, Python IDLE platform, Google Colab, SQL for practice etc. Faculties of EC LNCTE got certified by CISCO after qualifying the different Modules under FDP duration.

## PYTHON INSTITUTE PCAP: Programming Essentials in Python Statement of Achievement Presented To: Abhinav bhargava During the Cisco Networking Academy® self-paced course, the student has studied the following Skills: the universal concepts of computer programing (i.e. variables, flow control, data structures, algorithms, conditional execution, loops, functions, etc.) developer tools and the runtime environment; the syntax and semantics of the Python language; the fundamentals of object-oriented programing and the way they are adopted in Python; the means by which to resolve typical implementation problems; the writing of Python programs using standard language infrastructure; fundamental programing techniques, best practices, customs and vocabulary, including the most common library function in Python 3; W. Man Maciej Wichary VP.OpenEDG Patron Institute 29 Jan 2021 By completing the course, the student is now ready to attempt the qualification PCAP-Certified Associate in Python Programing certification, from the OpenEDG Python Institute. PCAP: Programming Essentials in Python P INSTITUTE Statement of Achievement Presented To: ROHIT KUMAR RATHOR During the Cisco Networking Academy® self-paced course, the student has studied the following Skills: the universal concepts of computer programing (i.e. variables, flow control, data structures, algorithms, conditional execution, loops, functions, etc.) developer tools and the runtime environment; the syntax and semantifies of the Python language; the fundamentals of object-oriented programing and the way they are adopted in Python; the means by which to resolve typical implementation problems; the writing of Python programs using standard language infrastructure; fundamental programing techniques, best practices, customs and vocabulary, including the most common library function in Python 3;

By completing the course, the student is now ready to attempt the qualification PCAP-Certified Associate in Python Programing certification, from the OpenEDG Python Institute.
